Plant List 2018 - 2019

New Zealand Native Trees, Shrubs, Grasses

**Exotic Ornamental Trees, Shrubs, Hedging
Shelter and Olives**

All prices include GST

10% discount on purchases over \$400 (excluding sale times & bare-root fruit trees)

Key:

Italics = *Maori and/or common name*

S-H = suitable for shelter and/or hedging

Ⓝ = New Zealand Native plant

D = deciduous tree or shrub

Cl = climbing plant

F = fruiting plants

Pb = planter-bag size

PVR = plant variety rights

Measurements of trees and plants denotes approximate Height then Width

Kia ora - Welcome to our 2018-2019 Plant Catalogue

Note: This is a production catalogue and some lines will sell out during the year

Trading Hours

January & February – 9am to 5pm Monday to Friday

March to December – 9am to 5pm Monday to Saturday

May and October we are open 7 days – 9am to 5pm

“I have grown taller from walking with trees.” Karle Wilson Baker

“We have nothing to fear and a great deal to learn from trees, that vigorous tribe and pacific tribe which without stint produces strengthening essences for us, soothing balms, and in whose gracious company we spend so many cool, silent and intimate hours.”

Marcel Proust, Pleasures and Regrets 1896

“All it has experienced, tasted, suffered:
The course of years, generations of animals,
Oppression, recovery, friendship of sun and – Wind
Will pour forth each day in a song
Of rustling foliage, in the friendly
Gesture of its gently swaying crown,
In the delicate sweet scent of resinous
Sap moistening the sleep-glued buds,
And the eternal game of lights and shadows it plays with itself, content.”

Herman Hesse 1877 – 1962

Plants and Trees

Plants and trees are very cool, there are lots at my school.

Hebes are quite nice, ask my Pop about the price.

I like to help my Nan and Pop until I really have to stop.

My poem is quite nice, I think

In spring, my cherry tree turns pink.

My poem is coming to a close

Wait, I heard Pop turn on the hose !!

Grace 8 years

We wish you and your whanau a safe, happy and growing year.

Kind regards

James, Susie, Olly and Sarah

Code	Plant name	Description	Bag size	Price
H	<i>Abelia grandiflora</i> <i>Glossy abelia</i>	Pretty hedge, dark green glossy leaf maturing to bronze, white flushed pink bell shaped flowers 2 x 1.5m	Pb 6.5	\$12.00
	<i>Abutilon</i> mixed colours <i>Chinese Lanterns</i>	Evergreen, pure white, red and orange. Flowers during summer, hardy, prune after flowering to keep compact, nectar of lanterns loved by birds and bees, likes any reasonable soil 2 - 3m unpruned	Pb 6.5	\$12.00
	<i>Acacia baileyana</i> <i>purpurea</i>	Well known ornamental tree. Foliage colour varies from purple to blue. Abundant yellow flowers in winter provide good bee forage and are very showy. Okay near coast. Evergreen, hardy 5 - 6m	Pb 6.5	\$12.00
Ⓝ	<i>Acaena inermis</i> 'Purpurea' <i>Purple bidibidi</i>	A compact and hardy herbaceous groundcover with a one metre spread. Its attractive deep purple leaves creating a mass effect. It has a good tight habit and unlike most species of <i>Acaena</i> , it doesn't have barbs on the spines of its seed heads	Pb 5	\$9.00
D	<i>Acer campestre</i> <i>Field maple</i>	Tough maple for exposed sites, yellow flushed red autumn colour 10m+	6L pot	\$25.00
D	<i>Acer davidii</i> <i>Snake bark maple</i>	Beautiful maple with vertical white stripes on green bark, great orange and purple autumn colour, broadly spreading, hardy 8 x 5m	6L pot	\$25.00
D	<i>Acer palmatum</i> 'Atropurpureum' <i>Purple Japanese Maple</i>	Leaves rich crimson in spring, dark to bronze purple summer, scarlet autumn, deep purple stems, shelter from strong winds 5m +	Pb 6.5	\$15.00
D	<i>Acer palmatum dissectum</i> <i>Lace-leaf</i> <i>Japanese maple</i>	Spreading mound form, variable coloured leaves, bronze/ purple, finely dissected 1 - 3m	Pb 6.5	\$15.00
D	<i>Acer palmatum</i> (green) <i>Green leaf Japanese maple</i>	Stately shade tree. Green leaves through summer, changing to shades of orange, red and yellow in autumn 5 x 4m	Pb 6.5	\$15.00
D	<i>Acer palmatum</i> <i>Senkaki, Coral bark maple</i>	Broadly columnar form, attractive reddish pink stems winter, light green in summer, yellow autumn leaf colour 3 – 5m	Pb 6.5 Pb 12	\$15.00 \$25.00
D	<i>Acer rubrum</i> <i>American red maple</i>	Broadly columnar, small red flower clusters appear before leaves, leaves have pale greyish undersides, bright red autumn colour, prefers moist soils 10 – 15m	Pb 6.5 Pb 12	\$15.00 \$25.00
D	<i>Acer saccharum</i> <i>Sugar maple</i>	Broadly columnar, cold hardy, orange autumn colours, needs fertile soil, spring sap is processed for maple syrup in Canada and the USA 20m	6L pot	\$25.00
D	<i>Aesculus carnea</i> <i>Red Horse Chestnut</i>	Broadly spreading form, slow growth, good avenue, park or large garden, dense shade tree. Deep pink candle-like flowers profuse in spring, good bee food, pods/nuts poisonous 12m	6L pot	\$25.00

Code	Plant name	Description	Bag size	Price
	Agapanthus 'Blue fin'	A dwarf Agapanthus with fresh green foliage topped off with blue flowers for months on end. For maximum impact plant in large drifts. Evergreen	Pb 5	\$9.00
	Agapanthus 'Silver baby"	This NZ bred Agapanthus is dwarf in habit. The green foliage will form a neat clump. In summer stems of silvery white flowers edged with ice blue. Hardy, tolerant and easy to grow. Good for mass planting. Can cope with dry coastal conditions. Perennial	Pb 5	\$9.00
	Agapanthus 'Streamline'	Trouble-free selection. Neat, grassy dwarf foliage topped with masses of sky-blue flowers. Evergreen, hardy 50cm x 50cm	Pb 5	\$9.00
	Agathis australis <i>Kauri</i>	Treasure of the North, can be grown here, protect from frost when young, prefers rich moist soil and some shelter 10 - 30m	Pb 6.5	\$15.00
	Ajuga 'Catlins Gaint' <i>Bugleweed</i>	Hardy groundcover, sun or part shade, likes medium moisture and good drainage, hardy, bronze-green foliage, deep blue-purple flower-heads	Pb 6.5	\$12.00
	Ajuga 'Jungle Beauty'	Hardy groundcover, shade tolerant, purple/blue flowers	Pb 6.5	\$12.00
D	Albizia jublibrisson <i>Silk Tree</i>	Branching umbrella form, great shade tree, soft-pink fluffy flowers late summer 4 x 6m	Pb 6.5	\$15.00
	Alchemilla mollis <i>Lady's mantle</i>	Soft velvety perennial, semi shade	Pb 6.5	\$12.00
Ⓝ	Alectryon excelsus <i>Titoki</i>	Attractive evergreen shade or specimen tree, grows in most conditions, prefers rich moist soil protect from frost when young 5 – 8m	Pb 6.5 6L pot	\$15.00 \$25.00
S-H D	Alnus cordata <i>Italian Alder</i>	Broadly conical form, trims well for tall narrow shelter belt, tolerates wet and dry 25 - 30m	Pb 5	\$9.00
S-H D	Alnus glutinosa <i>Black Alder</i>	Fast growing shelter, suits damp conditions	6L pot	\$15.00
Ⓝ	Anemanthele lessoniana <i>Gossamer / Wind grass</i>	Great in dry shaded places, soft weeping habit, greener in the shade more rusty in the sun, misty halo of very fine flowers in spring 70 cm x 1m	Pb 5	\$7.00
Ⓝ	Apodasima similis <i>Oioi, Jointed rush</i>	A reed with fine grey-green leaves and distinctive brown markings, forms a large clump, grows in damp ground, water, tolerates salt water	Pb 6.5	\$12.00
	Armeria maritime 'Alba' <i>White flowered thrift</i>	Compact perennial, clump forming, White flowers, sun, sandy soils	Pb 5	\$9.00
	Armeria maritime <i>Sea pink, Sea thrift</i>	Compact perennial, clump forming, bright pink flowers, sun, sandy soils	Pb 5	\$9.00
Ⓝ	Arthropodium cirratum <i>Reinga reinga lily</i>	Wide fleshy leaves, long panicles of white starry flowers, shade lover, frost tender when young 45 cm	Pb 6.5	\$12.00

Code	Plant name	Description	Bag size	Price
Ⓝ	<i>Asplenium bulbiferum</i> <i>Hen and Chickens fern,</i> <i>Pikopiko</i>	Graceful fern fronds developing tiny bulbils or 'chickens', good indoor pot plant or outside in shady damp	Pb 6.5	\$12.00
Ⓝ	<i>Astelia chathamica</i> 'Silver spears'	Erect broad silvery flax-like leaves drooping at tip, sun or part shade 1m	Pb 6.5	\$12.00
Ⓝ	<i>Astelia</i> 'Rebal'	Bronze red silvery arching leaves, best in semi shade 60 cm	Pb 5	\$12.00
Ⓝ	<i>Austroderia richardii</i> syn <i>Cortaderia richardii</i> <i>South Island Toetoe</i>	Attractive arching blooms creamy buff colour, leaves 2m, flowering stems to 3m, tolerates wet feet, wind, frost, coastal site	Pb 6.5	\$12.00
	Azalea selection	Mixed variety of colours	Pot	\$22.00
	<i>Azara microphylla</i> <i>Box leaf azara</i>	Shrub or small tree, arching branches, small yellowish vanilla fragrant flowers late winter	Pb 6.5 Pb 12	\$15.00 \$25.00
	<i>Banksia Intergrafolia</i>	Fast-growing narrow shelter and ornamental tree for free-draining soils. Great coastal plant. Excellent bird food. Yellow flowers from summer to winter. Evergreen, hardy	Pb 6.5 Pb 12	\$12.00 \$18.00
Ⓝ	<i>Beilschmiedia tawa</i>	A tall tree reaching 25m in the forest, but around 8-10m in a garden. It has delicate, pale, thin narrow leaves, 5-10cm long, insignificant flowers and striking dark purple fruit about 2.5cm long, much loved by native wood pigeons	Pb 6.5	\$15.00
	<i>Berberis thunbergii</i> 'Atropurpurea' <i>Purple Barberry</i>	A Japanese native with compact foliage and a rounded shape. Deep bronze-purple foliage in spring and summer turns crimson in autumn. After a short deciduous period, vivid new shoots appear 1.3m x 1m	Pb 6.5	\$12.00
	<i>Berberis thunbergii</i> 'Helmond Pillar'	Upright Purple Barberry – A hardy ornamental shrub with vivid wine coloured foliage and a narrow columnar habit. Easy to grow in adverse conditions 1.5m x 60cm	Pb 6.5	\$15.00
D	<i>Betula ulitis jacquemontii</i> <i>White bark Himalayan birch</i>	Broadly conical, white bark, large dark green leaves, long hanging male catkins in spring, one of the best ornamental birches 10+m	Pb 6.5	\$20.00
D	<i>Betula ermanii</i> <i>Erman's birch or Gold birch</i>	Attractive bark is pink to creamy-white. Dark-green leaves and a broadly conical crown. Golden in autumn, long drooping catkins in spring. Rust free. Tolerant of wet but not drought. Deciduous. Very cold hardy. Suitable for firewood. Up to 15m x 3m	Pb 6.5	\$15.00
D	<i>Betula pendula</i> <i>Silver birch</i>	Straight trunk with silvery-white bark. Brilliant golden foliage in autumn. An old favourite. Great planted in small groups for effect. Tolerant of very poor soils. Fast-growing. Deciduous. Very cold hardy 15m+	Pb 6.5	\$15.00

Code	Plant name	Description	Bag size	Price
D	Betula pendula f. nigra <i>Dark purple leaved silver birch</i>	A dark purple foliated selection of silver birch, the vibrant colour maintained through the summer. Slower growing and likely to form a smaller tree	Pb 6.5	\$20.00
Ⓝ	Blechnum discolour <i>Crown fern, piupiu</i>	Handsome bright green upright fern, dappled shade, light, damp well-drained soil 1.2m	Pb 6.5 6L pot	\$12.00 \$20.00
Ⓝ	Blechnum fluviatile <i>Kiwakiwa</i>	Narrow ladder-like fronds, likes shaded moist site 20 - 80 cm	Pb 6.5 6L pot	\$12.00 \$20.00
Ⓝ	Blechnum novae zealandiae <i>Kiokio</i>	Long drooping fronds, likes shade or open site with ample moisture	Pb 6.5	\$12.00
F	Blueberries	Selection available, Rabbiteye varieties; Tifblue and Centurion	Pot	\$22.00
	Boronia megastigma	Bushy form, highly perfumed brown and mustard flowers in spring, trim lightly after flowering, better out of hottest sun, doesn't like to dry out 50 x 50 cm	Pb 6.5	\$12.00
Cl	Bougainvillea 'Scarlet O'Hara	Deep scarlet flowers, tolerant of hot site but enjoys adequate watering in summer, good climber for fence or pergola, may lose leaves in cold winter	Pb 6.5	\$15.00
F	Boyensberry 'Mapua'	Local Nelson selection. Large fruit at Christmas outstanding flavour, needs frame to train up	8cm pots	\$10.00
F	Blackberry thornless	Thornless blackberry, heavy fruiting	8cm pots	\$10.00
	Buxus sempervirens <i>English Box</i>	Good hedging, suits formal training, singularly or in groups, containers	5cm 7cm	\$3.50 \$4.50
	Callistemon citrinus 'Violet' <i>Bottle Brush</i>	Warm sunny location, preference for slightly acid soil, appreciates deep watering in summer, striking violet/pink brushes, very hardy	Pb 12	\$18.00
	Callistemon 'Kings Park Special' <i>Bottle Brush</i>	Vigorous rounded bush, slightly pendulous branches, bright red flower brushes spring early summer 3 x 3m	Pb 12	\$18.00
	Callistemon 'Little John'	Compact, dwarf form, grey-green foliage, deep red 'brush' flowers spring and early summer 75 x 75 cm	Pb 6.5 6L pot	\$12.00 \$18.00
	Callistemon 'Rocky Rambler'	Dwarf, semi prostrate, small red 'brushes' in spring, hardy 60 x 50 cm	Pb 6.5	\$12.00
D	Castanea sativa <i>Sweet Chestnut</i>	Broadly columnar, edible nuts, coppices well for poles, split posts, firewood, good drainage essential 25m	Pb 6.5	\$15.00
	Camellia	Selection available	Pb 8	\$25.00
	Camellia Sasanqua 'Cinnamon Cindy'	A great hedging plant. Upright bushy shrub with mid-green leaves. Fragrant white/pink flowers in winter/spring. Prefers a sheltered site in semi-shade. Evergreen, hardy 3m x 1.5	6L pot	\$34.00
Ⓝ	Carex buchananii	Stiff, erect tussock when young, spreading with age, reddish brown colour, bleached curling tips, suits dry conditions 50 - 75 cm	Pb 5	\$7.00
Ⓝ	Carex dispacea	Green sedge, good in damp conditions, sun or shade 30 - 70 cm	Pb 5	\$7.00

Code	Plant name	Description	Bag size	Price
Ⓝ	<i>Carex Comans</i> <i>Green Frosted Curls</i>	Densely tufted tussock grass, pale green, flowing habit, groom plants to remove dead foliage, tolerates range of growing conditions 30 - 40 cm	Pb 5	\$7.00
Ⓝ	<i>Carex secta</i>	Large weeping yellowish-green tussock, at its best beside water, sun or semi shade 1m	Pb 5	\$7.00
Ⓝ	<i>Carex tenuiculmus</i>	Attractive reddish bronze, hardy but prefers moist site 70 cm	Pb 5	\$7.00
Ⓝ	<i>Carex testacea</i>	Densely tufted, arching orange-green tussock, colour stronger in full sun, hardy, coastal, dry 60 x 40 cm	Pb 5	\$7.00
Ⓝ	<i>Carex virgata</i>	Hardy, vigorous sedge of wetlands but will grow in dry sites, full sun or shade 1 x 1m	Pb 5	\$7.00
Ⓝ	<i>Carmichaelia odorata</i>	This native broom is covered with tiny fragrant mauve and white pea-shaped flowers in spring, sunny position, very hardy 2m	Pb 6.5	\$12.00
Ⓝ	<i>Carmichaelia muritai</i> <i>Clifford's Bay Broom</i>	Leafless, upright growing broom with dense bronzed stems and violet-white flowers. Extremely rare in the wild, growing on deeply eroded coastal cliffs on coarse, free-draining gravel. Hardy	Pb 6.5	\$15.00
D	<i>Carpinus betulus</i> <i>European/white hornbeam</i>	Broad spreading form, hardy hedge or woodland tree, good timber, yellow autumn colour 15+m	Pb 6.5	\$15.00
D	<i>Carpinus betulus fastigiata</i>	Upright columnar form, great avenue trees or feature tree, yellow / gold autumnal colour. Clips and hedges well	Pb 6.5 6L pot	\$15.00 \$25.00
Ⓝ	<i>Carpodetus serratus</i> <i>Marble leaf Putaputaweta</i>	Upright spreading form, divaricating juvenile form then more open spreading adult form, needs moisture	Pb 6.5	\$12.00
Ⓝ	<i>Carpodetus s. prostrata</i> <i>Prostrate marble leaf</i>	Attractive prostrate marble leaf	Pb 6.5	\$12.00
D	<i>Castanea satvia</i> <i>Sweet Chestnut</i>	Edible nuts eaten in autumn, good well drained soil, sun, sheltered or exposed 30 x 15m	Pb 6.5	\$15.00
	<i>Cedrus deodara</i> <i>Himalayan cedar</i>	Conical form, drooping branch tips, drought and wind tolerant 30m	Pb 6.5	\$15.00
	<i>Ceanothus 'Blue Cushion'</i>	Hardy, dense, prostrate shrub, bright blue flowers in spring, groundcover or wall-spiller 75 cm x 1.5m	Pb 6.5	\$12.00
	<i>Ceanothus 'Joyce Coulter'</i>	Low growing wide spreading shrub covered in lighter shade of blue flowers in spring, likes sunshine and good drainage 1.2 x 2m	Pb 6.5	\$12.00
	<i>Ceanothus 'roweanus'</i> <i>California Lilac</i>	Erect shrub to small tree. Abundant dark blue flower clusters in spring. Hardy for most conditions, prefers sun and free-draining soil, will tolerate some shade. Prune annually to maintain shape. Evergreen 2m x 1.5m	Pb 6.5	\$12.00

Code	Plant name	Description	Bag size	Price
D	<i>Cercidiphyllum japonicum</i> <i>Katsura Tree</i>	Native of the Himalaya to Japan, spreading form, layered drooping branches, yellow, pink or purple in autumn and giving off a gingerbread scent, must have moist soil 15m	6L pot	\$25.00
D	<i>Cercis canadensis</i> <i>East American redbud</i>	Spreading form, attractive pink or lilac pea-like flowers in clusters along branches as leaves appear 5 x 4m	6L pot	\$25.00
D	<i>Cercis chinensis</i> <i>Chinese redbud</i>	Broadly spreading, glossy heart-shaped green leaves, pink pea-like flowers in clusters along branches before and as leaves appear 2 - 5m	Pb 6.5	\$15.00
D	<i>Chaenomeles</i> 'Yokuku' <i>Flowering Quince</i> <i>Japonica</i>	White flowers on bare stems from winter to spring, very hardy, can be trained as espalier, sun or part shade	Pb 12	\$15.00
	<i>Chamaecyparis</i> 'Rubicon' <i>Atlantic White cedar</i>	Upright conical form, blue-green during summer and plum-green in winter, compact	Pb 6.5	\$15.00
	<i>Chamaecytissus</i> <i>palmensis</i> <i>Tree Lucerne</i>	Fast growing shelter, profuse flowers loved by bees and wood pigeons 3 – 4m	Pb 6.5	\$9.00
Ⓝ	<i>Chionochloa flavicans</i> <i>Miniature toe-toe</i>	Hardy small toe-toe, attractive pale green plumes when flower heads first appear, copes in dry but better with some water 1 x 1m	Pot Pb 5	\$4.00 \$9.00
Ⓝ	<i>Chionochloa rubra</i> <i>Red tussock</i>	Tall growing graceful tussock, great planted en masse 1.2m	Pot Pb 5	\$4.00 \$9.00
D	<i>Chimonanthus praecox</i> <i>Winter Sweet</i>	Broadly spreading, pale waxy yellow sweetly scented flowers in winter, likes good drainage and calcium rich soils 1 – 3m	Pb 6.5	\$15.00
H	<i>Choisya ternata</i> <i>Mexican Orange Blossom</i>	Hardy, neat, rounded bush, starry white flowers, clustered head in summer, hedges well, likes sun and good drainage 1.5 x 1.5m	Pb 6.5	\$12.00
H	<i>Choisya ternata</i> 'Aztec Pearl'	As above but leaf form is long and narrow 1.5 x 1.5m	Pb 6.5 Pb 12	\$12.00 \$18.00
	<i>Cistus</i> 'Bennetts White' <i>White Rock Rose</i>	Impressive bushy shrub, deep green foliage, showy white crepe-paper like petals, prominent yellow stamens, sunny site, good drainage, don't over feed or prune 1.8 x 2m	Pb 6.5	\$12.00
	<i>Cistus</i> 'snowmound' <i>Rock Rose</i>	Evergreen. White flowers in spring and early summer. Small rough, wrinkled grey-green foliage 75cm x 1m	Pb 6.5	\$12.00
	<i>Cistus x pulverulentus</i> 'Sunset' <i>Magenta Rock Rose</i>	Low spreading evergreen shrub with eye catching yellow-centered magenta flowers. Grey, green leaves 60cm x 1m	Pb 6.5	\$12.00
F	<i>Citrus aurantifolia</i> <i>Bearss Lime</i>	Culinary favourite, larger fruit than Tahitian, juicy with little to no seeds, flavour between lemon and lime 4m	Pb 6.5 Pb 12	\$18.00 \$25.00
F	<i>Citrus lime</i> <i>Kaffir lime</i>	Culinary, leaves and the fruits zested are great in Asian dishes, needs a sunny sheltered position	Pot	\$35.00

Code	Plant name	Description	Bag size	Price
F	Citrus lemonade	A very juicy and strong scented, lemon-like fruit with a mild, refreshing grapefruit-like flavour. The fruit can be eaten fresh or juiced.	Pb 6.5	\$18.00
F	Citrus lemon <i>Meyer Lemon</i>	Prolific cropper, every garden should have one 2 x 2m	Pb 6.5 Pb 12	\$18.00 \$25.00
F	Citrus Lime <i>Tahitian Lime</i>	Good producer, culinary and drinks favourite, warm sheltered position 2.5 x 2.5m	Pb 6.5 Pb 12	\$18.00 \$25.00
F	Citrus selection	A selection of oranges, mandarins, grapefruit	Pot	\$35.00
Cl	Clematis 'montana rubens'	Hardy climber, masses of pink flowers in spring 3m	Pb 6.5	\$15.00
Ⓝ	Clianthus p. alba <i>White kaka beak</i>	Lovely white parrot beak pendulous flowers early summer, likes a sheltered position	Pb 6.5	\$12.00
Ⓝ	Clianthus p. rosea <i>Red Kaka Beak</i>	Red, nectar filled, flowers shape of a parrots beak early summer attract birds, sun or partial shade, protect from strong wind and frost, deeply worked free draining soil, keep moist and mulch in dry periods 2 x 2m	Pb 6.5	\$12.00
	Coleonema alba diosma ericoides <i>Breath of Heaven</i>	Soft feathery foliage, profuse small white starry flowers late winter spring, hardy, likes sun, trim after flowering 1x 1m	Pb 6.5	\$12.00
	Coleonema compactum 'Pinky'	Prostrate form, bright green feathery foliage, small starry pink flowers early summer, full sun 40 cm	Pb 6.5	\$12.00
	Coleonema p. rubrum	Starry rose/pink flowers, full sun, well worked soil 1.5m x 1.5m	Pb 6.5	\$12.00
	Coleonema p. 'Sunset Gold'	Prostrate, brilliant golden-yellow foliage, pale-pink starry flowers, early summer, full sun, can be clipped 30 - 70 cm x 1.2m	Pb 6.5	\$12.00
	Convolvulus cneorum	Compact, silvery-grey shrub, masses of white open-trumpet flowers early summer – autumn, sunny, open free-draining site, prefers not to be watered in dry periods 60 cm x 1m	Pb 6.5	\$12.00
	Convolvulus mauritanicus	A vigorous ground cover with violet mauve flowers through spring and autumn. Prefers well drained soils in full sun. Good for coastal planting or cascading over walls. 20cm x 2m	Pb 6.5	\$12.00
Ⓝ	Coprosma acerosa 'Taiko'	Hardy groundcover, mounding form, attractive small dark green leaf	Pb 6.5	\$12.00
Ⓝ	Coprosma 'chocolate soldier'	Upright native shrub, rich brown foliage. Drought resistant. Hardy. Avoid very heavy frost 1.2m x 1m	Pb 6.5	\$12.00
Ⓝ	Coprosma 'Black Cloud'	Hardy, low growing, small black/green leaves	Pb 6.5	\$12.00
Ⓝ	Coprosma 'Hawea'	Attractive, hardy, grows flat to the ground, sun or part shade	Pb 6.5	\$12.00

Code	Plant name	Description	Bag size	Price
Ⓝ	Coprosma kirkii green	Vigorous groundcover, bronzy-green leaves, good for coastal planting, banks, walls, responds to hard trimming (in spring) 30 cm x 1.5m	Pb 6.5	\$12.00
Ⓝ	Coprosma x kirkii variegata	Hardy, fast growing groundcover, trailer, sage green leaves edged creamy-white 30 cm x 1m	Pb 6.5	\$12.00
Ⓝ	Coprosma r. 'middlemore'	Attractive shrub with a tight bushy growing habit. Highly glossy dark green leaves on erect branches. Lovely as a low hedge. Will grow in most situations and soils, though avoid very heavy frost. Grows well in coastal or exposed sites 1.5m x 1m	Pb 6.5	\$12.00
Ⓝ	Coprosma r. 'painters palette'	Upright evergreen shrub with glossy ovate leaves coloured red, pink, green and cream. Colours intensify during cold periods in autumn and winter. It has a compact growth and very hardy. Avoid very heavy frost	Pb 6.5	\$12.00
Ⓝ	Coprosma r. 'pink splendour'	Wavy leaves tinged pink deepening in colour with cooler autumn & winter temperatures. An attractive addition to any garden setting. Drought tolerant, grows in any soil, thrives in sun or shade & withstands salt spray. Evergreen. Avoid very heavy frost 1.5 x 1.5m	Pb 6.5	\$12.00
Ⓝ	Coprosma r. 'port wine'	Shiny dark red foliage, coast and wind hardy. Avoid very heavy frost 1 x 1.8m	Pb 6.5	\$12.00
Ⓝ	Coprosma propinqua	Small shrub with divaricating branches. Likes wet and windy 3 x 2.5m	Pb 6.5	\$12.00
Ⓝ	Coprosma r. 'Poor Knights'	Hardy, prostrate, glossy green foliage, orange berries from the Poor Knights Islands. Frost tender	Pb 6.5	\$12.00
Ⓝ	Coprosma repens <i>Taupata</i>	Large shrub to small tree with broad glossy, dark-green leaves. Showy clusters of orange/red fruit from January-March are great for attracting birds. Fine on coast. Hedges well. Shade tolerant. Evergreen. Avoid very heavy frost	Pb 6.5	\$12.00
Ⓝ S	Coprosma virescens	Attractive divaricating extremely tangled branches with tiny leaves, overall golden coppery glow, can be hedged, tolerant of dry conditions and poor soil 2 – 3m	Pb 6.5	\$12.00
Ⓝ	Cordyline australis <i>Ti kouka, Green Cabbage tree</i>	Classic Aotearoa, hardy, tall trunk, rough fissured bark, arching sword-like leaves, fragrant creamy white flowers spring/summer 6 x 2m	Pb 6.5	\$12.00
Ⓝ	Corynocarpus laevigatus <i>Karaka Native laurel</i>	Handsome canopy tree, large glossy leathery leaves, large orange fleshy droops ripen in summer, kernels are poisonous, semi sun or shade, tolerant of coastal conditions 8 x 5m	Pb 6.5	\$15.00
D	Cornus alba 'Siberica' <i>Siberian Dogwood, Red barked Dogwood</i>	Dark green leaves, creamy-white flowers followed by small white berries then stunning scarlet stems in winter, bushy shrub with year round attractiveness 2m	Pb 6.5	\$12.00

Code	Plant name	Description	Bag size	Price
D	Cornus controversa variegata <i>Wedding cake tree</i>	A small deciduous tree with strongly tiered branches bearing narrowly ovate leaves broadly margined with cream and turning yellow in autumn. Small, cream flowers in flat clusters are followed by black berries 3m x 2m	Pb 6.5 25L	\$20.00 \$55.00
D	Cornus florida <i>North American dogwood</i>	Erect trunk, branches in horizontal tiered pattern, good autumn colours, white four petalled bracts in spring, red fruits 5 x 4m	Pb 6.5 Pb 12	\$15.00 \$25.00
D	Cornus kousa <i>Flowering dogwood</i>	A small tree, vase-shaped when young, then becoming more rounded. White flowers, sometimes edged with red from November-December. Red fruit attracts birds. Green foliage turns a brilliant purple-red in autumn and the colour holds for weeks. Deciduous, hardy	Pb 6.5 Pb 12	\$15.00 \$25.00
D	Cornus kousa var. chinensis <i>Chinese dogwood</i>	Spreading form, larger leaves than C. kousa, white flower bracts very showy and long lasting, autumn colours variable purplish to bright red 4 - 10m	Pb 6.5 Pb 12	\$15.00 \$25.00
Ⓝ H	Corokia x virgata 'Bronze King'	Small bronze leaves, hardy, good hedge when trimmed, birds enjoy heavy crop of red berries 2 x 1.2m	Pb 6.5	\$12.00
Ⓝ H	Corokia cheesmanii	Sun, wind, frost hardy, upright form, narrow green leaves, red berries, good hedging 2 x 1.5m	Pb 6.5	\$12.00
Ⓝ	Corokia cotoneaster 'North Cape'	An amazingly slow growing Corokia from North Cape. It remains low 0.4m x 0.6m	Pb 6.5	\$12.00

Ⓝ H	Corokia x virgata 'Geenty's Green'	Green foliage with silvery reverse, hardy 2 x 1.2m	Pb 6.5	\$12.00
Ⓝ	Corokia 'Pip Squeak'	Hardy, tight low growing, small green leaves, small hedge, containers, topiary 70 x 70 cm	Pb 6.5	\$12.00
Ⓝ H	Corokia 'Sunsplash'	Creamy-yellow leaves splashed green, sunny position will give best colour 2 x 1.5m	Pb 6.5	\$12.00
D	Cotinus coggygria <i>Smoke bush</i>	Green foliage, bushy habit, soft pink cloud-like flowering 2.5 x 2.5m	Pb 6.5	\$15.00
D	Cotinus coggygria purpurea <i>Purple Smoke Bush</i>	Deep burgundy foliage, dense bushy habit, lovely autumn colours, trim in winter, hardy 2.5 x 2.5m	Pb 6.5	\$15.00
S-H	Cryptomeria japonica <i>Japanese cedar</i>	Magnificent specimen, excellent shelter or timber	Pb 6.5	\$12.00
	Cupressus arizoniac 'blue ice' <i>Blue Arizona Cypress</i>	Compact, broadly columnar conifer with fine attractive silvery blue foliage. Suitable as a specimen or as a tough shelter/hedge. Evergreen. Drought and cold hardy 5m x 3m	Pb 6.5	\$15.00
S-H	Cupressocyparis leylandii 'haggerston grey' <i>Leyland Cypress</i>	Fast growing, excellent shelter, good for dry sites, cold hardy	Pb 6.5	\$9.00
S-H	Cupressus ovensii	Narrowly conical evergreen, fast straight growth, not good in salt-laden wind 20m	Pb 6.5	\$9.00

Code	Plant name	Description	Bag size	Price
	Cupressus sempervirens <i>Gracilis</i>	Slender, erect form, threadlike dark green foliage providing neat vertical line 3m+ x 40 cm	Pb 6.5	\$15.00
	Cupressus sempervirens <i>totem</i>	Selected narrow growing form with bluish-green foliage. Cutting-grown for uniform, narrow, columnar shape and even growth rate. Dryish soil and no manuring. Similar to Cupressus sempervirens 'Gracilis' but foliage more coarse and a darker green 3m+ x 40cm	Pb 6.5	\$15.00
F	Currants	A selection of currants and gooseberries	Pot	\$22.00
Ⓝ	Cyathea dealbata <i>Silver fern</i>	Cyathea dealbata is probably the most well-known of the NZ Tree Ferns due to its status as New Zealand's national symbol. This variety will tolerate exposure to the elements, but will never look as beautiful. It is best suited to partial shade and sheltered conditions	Various sizes	POA
Ⓝ	Dacrydium cupressinum <i>Rimu Red Pine</i>	Slow growing handsome graceful specimen, prefers cool, moist conditions, protect from hottest sun, mulch well	Pb 5	\$15.00
Ⓝ	Dacrycarpus dacrydiodes <i>Kahikatea White Pine</i>	Tall growing native tree, suits swampy conditions, 9m after 20 years, final height to 60 m	Pb 6.5	\$20.00
	Daphne bholua <i>Himalayan daphne</i>	Tall narrow shrub, sweetly perfumed white rose flowers through winter, frost hardy, prefers semi shade, even moisture, good drainage 2 x 1m	Pb 6.5	\$15.00
	Daphne alba	Highly perfumed, small white flowers appear late winter early spring 1m	Pot	\$25.00
	Daphne leucanthe	Highly fragrant, pink buds open to white blush pink blooms in spring 80 cm	Pot	\$25.00
D	Davidia involucreta <i>Dove tree</i>	Forms a stately tree with rounded crown, white flower bracts appear like doves or small handkerchiefs late spring early summer, may take 10 years to flower, allow ample space, shelter from strong winds, likes moisture-retentive, good draining soil 8m	Pb 6.5	\$15.00
	Dietes grandiflora <i>South African native iris</i>	Rigid sword-like leaves, large white flowers with yellow nectar guides and violet central segments in October held on tall stems, frost and drought hardy, good drainage, full sun, well composted 1.5m	Pb 6.5	\$12.00
Ⓝ	Dianella nigra <i>Turutu, Blueberry</i>	Hardy, tufted plant resembling small flax, dainty white flowers, late spring, ornamental berries, glossy dark blue/purple or mauve, sun or semi shade, good drainage, good as mass planting 60 cm	Pb 6.5	\$12.00
Ⓝ	Dianella revoluta <i>'Revelation'</i>	Upright blue/green foliage, blue flowers in spring followed by attractive edible berries, sunny to partly shaded position 50 x 50 cm	Pb 6.5	\$12.00

Code	Plant name	Description	Bag size	Price
Ⓝ	Dicksonia fibrosa	Dicksonia fibrosa is a slow growing, very hardy tree fern which will reach up to 6m in height (although over many decades!). It has a very thick, fibrous trunk and produces a beautiful crown of fronds in a shuttlecock shape. The fronds feel very crisp to touch, grow 1 – 2m in length and create a very symmetrical appearance	Various sizes	POA
Ⓝ	Dicksonia squarosa <i>Wheki</i>	Fast growing tree fern in terms of trunk formation, tolerates full sun, some wind but likes good moisture level 2 – 6m	Various sizes	POA
Ⓝ S-H	Dodonea viscosa <i>Green Ake ake</i>	Tough, shelter shrub/small tree for exposed coastal conditions, attractive seed capsules 4 x 2m	Pb 6.5	\$10.00
Ⓝ S-H	Dodonea viscosa purpurea <i>Purple Ake Ake</i>	Hardy, greenish purple foliage, attractive pink seed capsules	Pb 6.5	\$10.00
Ⓝ	Dysoxylum spectabile <i>Kohekohe</i>	Handsome tree growing naturally in coastal forest, waxy white flowers grow on long panicles from branches and trunk, prefers moist free-draining soil and shelter from frost when small 10 x 5m	Pb 6.5	\$15.00
Ⓝ	Echium	Bushy, hardy, conical blue flowers spikes loved by bees	Pb 6.5	\$10.00
Ⓝ	Elaeocarpus hookerianus <i>Pokaka</i>	The juvenile form has tiny leaves and interlacing branches, white lacy drooping flowers and purple berries, leaves lengthen with age, found on valley floors in mountainous areas, likes well drained damp soils 10m	Pb 12	\$15.00
	Eriostemon myoporoides 'Profusion' <i>Wax Flower</i>	Aromatic foliage, masses of waxy white star-shaped flowers, compact form, sun or partial shade, likes good drainage 1.2m	Pb 6.5	\$12.00
H	Escallonia Iveyi <i>White Escallonia</i>	Glossy green foliage, white flowers, hardy, single plant or hedge, trim for best form 2.5m	Pb 6.5	\$12.00
H	Escallonia 'Fields Scarlet'	Fast growing hedging shrub, masses of bright scarlet flowers, small leaf, very hardy, fertilize and trim annually 2 x 1.2m	Pb 6.5	\$12.00
H	Escallonia 'Red Dream'	Dwarf variety with small glossy leaves, red branchlets, crimson red flowers summer autumn, can be clipped, low hedge or in a pot 1 x 1 m	Pb 6.5	\$12.00
H	Escallonia rubra <i>Red escallonia</i>	Densely branched, glossy dark green leaves with serrated edge, dark pink flowers over summer, coastal tolerant, hedge or single plant 4m	Pb 6.5	\$12.00
H	Escallonia 'White Profusion'	Shrub with shiny serrated foliage which tolerates seaside positions. White flowers throughout the summer. Fast-growing upright form. Fantastic low hedging. Attractive to bees. Evergreen, hardy 4 x 2 m	Pb 6.5 Pb 12	\$12.00 \$18.00

Code	Plant name	Description	Bag size	Price
	Eucalyptus 'Baby Blue'	A small open, spreading tree or shrub which retains its powdery-blue juvenile foliage. Excellent for use as cut foliage in floral arranging. A selected seed strain of E. pulverulenta. White flowers in spring develop into silver waxy seedpods. Smooth copper-brown bark. Evergreen, hardy to cold and exposure	Pb 6.5	\$10.00
	Eucalyptus ficifolia <i>Scarlet Summer Flowering Gum AKA Corymbia ficifolia</i>	Handsome form, single trunk, round-headed tree, compact crown, brilliant red mid-summer colour, shelter from frost when young, prefers good drainage 7 x 5m	Pb 6.5	\$10.00
	Eucalyptus leucoxylon 'Rosea' <i>Yellow Gum</i>	Medium sized spreading tree planted mainly for its winter nectar, loved by tuis, bellbirds and bees, drought tolerant, okay on clay soils, pink to red flowers May-September, winter, tolerates only moderate frost	Pb 6.5	\$10.00
	Eucalyptus nicholli <i>Willow Peppermint</i>	Graceful weeping tree, fine leaves wide-spreading; excellent shade tree, white flowers autumn, withstands mild frost, drought and wind 12 - 15m	Pb 6.5	\$10.00
	Eucalyptus nitens <i>Shining Gum</i>	Firewood, shelter, timber, fast growing, frost tolerant, tolerant most soils, flowers Jan to March 20+m	Tubes Pb 6.5	\$3.00 \$10.00
	Eucalyptus regnans <i>Mountain Ash</i>	Tall straight trunk, open crown, white bark shed in ribbons, small white flowers, good timber	Pb 6.5	\$10.00
	Eucalyptus saligna <i>Sydney Blue Gum</i>	Magnificent tall ornamental, timber and honey tree, smooth bluish-white bark, masses of white blossoms summer and autumn, mildly frost hardy, likes deep, fertile soil 30m	Pb 6.5	\$10.00
	Euphorbia 'Martinii'	Clump forming, reddish foliage, light green spring flowers 50 x 50 cm	Pb 6.5	\$12.00
Ⓝ	Euphorbia glauca <i>Shore spurge</i>	A rare coastal plant of great ecological importance with a wide creeping habit. Foliage colour varies from pastel green to vivid blue-grey with red stems. Attractive red-pink flowers from Sept to March. Great ornamental plant for a dry site as an alternative to exotic Euphorbia. Evergreen, hardy 1 x 1m	Pb 6.5	\$12.00
H	Euonymus 'Emerald Gem'	Hardy, small green box-like leaves, compact	Pb 6.5	\$12.00
	Euryops <i>South African bush daisy</i>	Very tough shrub to 1m tall by 1.5m wide. Green/grey leaves with masses of yellow flowers over a long period. Light frosts only. Does well in dry, tough sites	2L pot	\$10.00
D S-H	Fagus sylvatica <i>European Beech</i>	Broad, spreading, slow growing, magnificent specimen tree or hedge, lime dress if planting in clay soils 30 - 40m	6L pots	\$15.00
D S-H	Fagus sylvatica purpurea <i>Copper Beech</i>	Broad spreading, deep purple foliage, slow growing magnificent specimen or hedge 25 - 30m	Pb 6.5	\$15.00

Code	Plant name	Description	Bag size	Price
H/F	Feijoa Huia	Heavy, regular yielder of nice looking fruit. Flowers early. Fruit matures about the same time as Apollo	Pb 6.5	\$15.00
F	Feijoa Triumph	This old favourite produces large oval shaped fruit, firm and rough skinned with excellent flavour. Flesh is slightly gritty, soft, and juicy and extends towards the centre of the fruit. Heavy late cropping. Stores and handles well. Upright and strongly vigorous grower especially when young	Pb 6.5	\$15.00
H/F	Feijoa selection	A selection of varieties available in winter	Pot	\$25.00
Ⓝ	<i>Festuca actae</i> <i>Banks Peninsula Blue Tussock</i>	A small tussock from Banks Peninsula with fine silvery-blue foliage. The erect flowering stems reach 75cm. Great for mass planting in dry exposed sites. Evergreen, hardy 30 cm x 30 cm	Pb 5	\$7.00
F	Ficus	Eating Fig, selection available	Pot	\$22.00
	<i>Ficus pumila</i> <i>Creeping fig</i>	Evergreen creeping plant, best on rough walls	Pb 6.5	\$12.00
	<i>Fraxinus griffithii</i> <i>Evergreen Ash</i>	Fast growing, drought tolerant, attractive tree, white flowers appear in panicles in spring, frost tender when young, specimen or shade tree 6m	Pb 6.5	\$15.00
D/F	Fruit trees	A selection of pip and stone fruit will be available from July onwards	Bare root	\$38.00
Ⓝ	<i>Fuschia procumbens</i>	Ground-cover or trailer, attractive bright green rounded leaves, interesting upright flowers followed by red berries, best partial shade	Pb 6.5	\$12.00
Ⓝ	<i>Fuscospora solandri</i> <i>Black beech</i>	Formerly <i>Nothofagus solandri</i> , tall, attractive tree, wind hardier than other beeches, suits moderately fertile soil, good drainage 20 x 5m	Pb 6.5	\$15.00
Ⓝ	<i>Fuscospora solandri cliffortioides</i> <i>Mountain beech</i>	Elegant form, smaller growing than Black beech, good drainage	Pb 6.5	\$15.00
	<i>Gardenia 'Professor Pucci'</i>	Brilliantly fragrant with soft creamy double flowers on deep green foliage makes for a great show. Prolific feeder, but tolerant of most soils. Frost tender, grows to 1.5m x 1.5m	Pb 6.5	\$15.00
	<i>Garrya elliptica</i> <i>Silk Tassel bush</i>	An unusual shrub with leathery grey/green leaves, long silver green catkins hang from branch tips throughout winter, coastal tolerant, frost hardy, likes good drainage 2.5 x 2m	Pb 6.5	\$12.00
D	<i>Ginkgo biloba</i> <i>Maidenhair tree</i>	Large pyramidal tree, fan-like leathery leaves turn gold in autumn making a spectacular sight 25m	Pb 12	\$15.00
	<i>Gordonia axillaris</i>	Evergreen small tree, glossy dark green leaves, creamy-white flowers with golden stamens, excellent small tree, full sun to part shade, lightly tip prune after flowering if a bushy shrub is required 4.5 x 3m	6L pot	\$25.00

Code	Plant name	Description	Bag size	Price
F	Grapes table varieties	Selection available	Pb 6.5	\$18.00
	Grevillea 'Bronze Rambler'	Vigorous groundcover with bronzy red new growth, deep red 'toothbrush' flowers through-out the year, prolific in spring, full sun or semi shade, prefers good drainage but will grow in clay banks or sandy soils 75 cm x 2m	Pb 6.5 6L pot	\$12.00 \$18.00
	Grevillea 'Drummer Boy'	Small leaved dwarf form of Mt Tamboritha, cream red/pink spidery flowers winter, hardy, sun lover	Pb 6.5	\$12.00
	Grevillea 'Gaudichaudi'	Excellent ground-cover or wall spiller, dark red 'tooth-brush' flowers winter spring, sun, coastal tolerant 15 cm x 2m	Pb 6.5	\$12.00
	Grevillia lutea	Spreading shrub with masses of yellow nectar rich flowers over a long period winter to summer 1m	Pb 6.5	\$12.00
	Grevillea 'Mt Tamboritha'	Prostrate with masses of pink/red and cream spidery flowers during winter and spring, likes sun, poor soil and dry conditions 50 cm x 1m	Pb 6.5	\$12.00
	Grevillea 'Nancy Otzen'	Fast growing spreading sun-lover, flowers pinkish-red with white centers autumn to spring, deep green foliage, likes well drained poor soil, good for banks and borders 1.2 x 1.2m	Pb 6.5	\$12.00
	Grevillia 'red clusters'	This compact bush is smothered in red flowers from autumn to late spring. This versatile shrub has handsome, fine, bronze-green foliage which contrasts excellently with its flowers and ensures that the slightly weeping habit of growth is an attractive feature in itself. Dry tolerant, evergreen	Pb 6.5	\$12.00
	Grevillea 'Robinhood' <i>Scarlet Toothbrush</i> <i>Grevillea</i>	Vigorous, withstands cold and dry, stake against strong wind, distinctive herring-bone shaped foliage, scarlet flower spikes 3 x 2m	Pb 6.5	\$12.00
	Grevillia robusta <i>Silky Oak</i>	Grows quickly into an upright pyramidal tree with large ferny paler green leaves. Mature trees bear amazing large golden spidery flowers in clusters in spring. Nectar seeking birds are drawn to the flowers. Tolerates coastal winds and dry conditions 8 x 6 m	Pb 6.5	\$15.00
	Grevillea 'Scarlet Sprite'	Super hardy, will tolerate heat, neglect and frost, clear scarlet flowers against very green foliage most of the year, enjoyed by birds 1.5 x 1.5m	Pb 6.5	\$12.00
	Grevillea 'Tranquility'	Lovely small shrub, soft grey-green leaves masses of pastel pink and cream flower clusters winter and spring, frost resistant 1 x 1m	Pb 6.5	\$12.00
	Grevillea 'White Wings'	Vigorous, dense spreading, long flowering, fragrant white with touch of yellow flowers 2 x 3m	6L pot	\$18.00

Ⓝ	<i>Muehlenbeckia astonii</i>	Interesting, hardy contrast plant, tangled wiry stems, small dark-green heart-shaped leaves, semi deciduous in winter, informal hedge 1 – 2.5m	Pb 6.5	\$12.00
Ⓝ	<i>Muehlenbeckia axillaris</i>	A dense ground-cover with wiry stems and small dark-green leaves. Flowers prolifically in summer with masses of small creamy flowers. Prefers full sun. Tolerant of hot, dry conditions. More restrained than <i>M. complexa</i> . Semi-deciduous, hardy 1m spread	Pb 6.5	\$12.00
Ⓝ	<i>Myoporum laetum</i> <i>Ngaio</i>	Fast growing, hardy coastal tree providing quick shelter, attractive rounded form (when young), frost tender when small, all parts poisonous to stock 6m	Pb 6.5	\$12.00
Ⓝ	<i>Myosotidium hortensia</i> <i>Chatham Island Forget-me-not</i>	A stunning plant with large, somewhat fleshy, glossy-green, deeply veined leaves and sprays of beautiful blue flowers in late spring. Evergreen, but some die-back in winter. Can withstand some frost, but prefers a sheltered free draining site 0.5 x 0.5 m	Pb 6.5	\$12.00
Ⓝ	<i>Myrsine australis</i> <i>Red matipo</i>	Forms a handsome large shrub or tree with distinctive red branchlets and wavy leaf margins. Similar in appearance to <i>Pittosporum tenuifolium</i> . The white flowers and later the black fruits are in clusters below the leaves. Used as a specimen, shrub border or hedge 5 x 3m	Pb 6.5	\$12.00
	<i>Nandina domestica</i> <i>pygmaea</i> <i>Sacred Bamboo</i>	Densely foliated bush, green, purple, scarlet leaves, intense colour in full sun, hardy, easy care 60 x 60 cm	Pb 6.5	\$12.00

Code	Plant name	Description	Bag size	Price
	Nandina 'Gulf Stream'	Dwarf nandina, pale green yellow foliage in summer turning flaming red in autumn winter, hardy, easy care 60 x 60 cm	Pb 6.5	\$12.00
	Nandina 'Richmond'	Tall upright growth with delicate lacy foliage. New growth is a shade of pink turning bronzy red then deep crimson in winter. This shrub produces an abundance of scarlet berries during autumn and winter. Evergreen 1.8m x 1m	Pb 6.5	\$12.00
Ⓝ	Nestegis cunninghamii <i>Black Maire</i>	Black maire is a tall handsome canopy tree with a stout straight trunk growing up to 15 m high. The tree has rough, cork-like bark and produces red or yellow fruits. Now found only in isolated North Island forests. The long leaves are leathery but smaller in adult trees. Black maire has dense, even-grained timber, dark brown in colour and often streaked with black and is very hard	6L pots	\$25.00
	Nyssa sylvatica <i>Tupelo</i>	Slow to moderate growth, sun or partial shade, likes moisture retentive soil and tolerates wet feet, brilliant autumn colours 7 x 5m	Pb 6.5 6L pots	\$15.00 \$25.00
Ⓝ	Olearia cheesemanii <i>Streamside daisy</i>	Multi branching shrub, attractive silvery buff underside of leaves, masses of daisy-like flowers in spring, hardy, likes good drainage, sun or partial shade 2 x 2m	Pb 6.5	\$12.00
Ⓝ S-H	Olearia paniculata <i>Golden Ake ake, Akiraho</i>	Shrub or small tree, tiny fragrant flowers in autumn, tolerates coastal conditions, must have good drainage, hardy	Pb 6.5	\$12.00
Ⓝ	Olearia solandri	Hardy, erect shrub with tiny leaves, autumn flowers have a vanilla fragrance, attractive golden stems on new growth, quick growing shelter 3 x 1m	Pb 12	\$15.00
	Olive Frantoio	Tuscan variety, heavy cropper, self-fertile, excellent oil, can be pickled	Pb 6.5	\$14.00
	Olive Hardy's Mammoth	Large fruit suitable for pickling	Pb 6.5	\$14.00
	Olive Koroneiki	Greek, heavy cropper, tolerates dry conditions, oil	Pb 6.5	\$14.00
	Olive Leccino	Tuscan, grows well with Frantoio, pollinate with Pendolino, oil	Pb 12	\$14.00
	Olive Manzanilla	Small spreading tree, prolific early bearer, pollinates Barnea. Oil or pickling	Pb 6.5	\$14.00
	Olive Pendolino	Tuscan, excellent pollinator for Frantoio and Leccino	Pb 6.5	\$14.00
	Olive South Australian Verdale	Selection of French Verdale that produces large fruit for pickling, early to bear fruit	Pb 6.5	\$14.00
	Ophiopogon planiscapus 'Black Dragon' <i>Black mondo grass</i>	A popular landscaping plant with deep purple-black grass like leaves, punctuated by dainty flowers of pale violet followed by shiny black berries. Great contrast plant for mass planting in sun or shade. Prefers well-drained soil. Evergreen, hardy 20cm	Pb 5	\$9.00

Code	Plant name	Description	Bag size	Price
S	Ophiopogon japonicus nana <i>Mini Mondo grass</i>	A dwarf mondo that spreads to form a dense carpet of dark green foliage offset by spikes of lilac flowers followed by blue-black berries. A very hardy and low maintenance plant that prefers part to full shade but will tolerate full sun. Excellent for use in paths, as an underplanting for pot specimens or as a border edging. Height to 10cm	Pb 5	\$9.00
	Ophiopogon japonicus ultra dwarf <i>Mini Mondo grass</i>	Very similar to Ophiopogon japonicus nana but smaller and tighter growth	Pb 5	\$9.00
Ⓝ	Pachystegia insignis <i>Marlborough rock daisy</i>	Thick leathery oval leaves, large white daisy flowers early summer on 30 cm stems, needs well-drained soil in sun	Pb 5	\$12.00
Ⓝ	Pachystegia rufa <i>Marlborough rock daisy</i>	Robust spreading shrub, large leathery leaves deep green on top brown velvety tomentose (furry) undersides, large daisy-like flowers early summer, likes good drainage, sun, don't crowd with other plants 1 x 1m	Pb 5	\$12.00
Cl	Pandorea pandorana <i>Wonga-wonga vine</i>	Hardy vigorous climber, dark green glossy leaves, fragrant bell-shaped creamy-white flowers late winter to spring.	Pb 6.5	\$15.00
Cl	Pandorea 'Charisma'	Dark green and cream variegated leaves, pink trumpet flowers with maroon throat	Pb 6.5	\$15.00
Cl	Pandorea 'Lady Di'	Creamy white flared trumpet flowers with delicate yellow throat shading	Pb 6.5	\$15.00
Cl	Pandorea pandorea 'Ruby Heart'	Hardy climber, cream bell-like flowers with speckled red throat, attractive dark green foliage	Pb 6.5	\$15.00
Ⓝ	Parahebe 'Baby Blue'	Compact, leaves slightly bronzed, purple/blue flowers spring and summer, prefers moist well drained soil 15 x 75 cm	Pb 6.5	\$10.00
Ⓝ	Parahebe 'snowcap'	A compact, low-growing shrub smothered in miniature white blooms with lavender throats all summer and autumn. The flowers that fall stay white on the ground for some time to give a snowy look. Great for rockeries and pots. Evergreen, very hardy	Pb 6.5	\$10.00
D	Parrotia Persica <i>Persian Ironwood</i>	Broadly spreading, exfoliating bark similar to London Plane, small flowers with red stamens on bare winter branches, yellow, orange, red autumn colour, tolerates dry site 6+m	6L pot	\$25.00
Ⓝ Cl	Parsonsia hetrophylla <i>Kaihua, Native jasmine</i>	Vigorous climber which flowers almost all year, creamy sweet scented flowers attract butterflies, hardy and versatile	Pb 6.5	\$15.00
Ⓝ	Pennantia corymbosa <i>Kaikomako, Bellbird tree, Duck's foot</i>	Juvenile twiggy form matures to a rounded head, dark leaves, abundant white flowers, best in good moist soil 6 x 3m	Pb 6.5	\$15.00

Code	Plant name	Description	Bag size	Price
	Phebalium Illumination <i>Variegated Satin Wood</i>	Small upright tree thriving in moist, free-draining soils. Attractive yellow margined green variegated leaves. Upright form, fast growth and low branching makes for a good untrimmed hedge. Evergreen. Frost tender when young and best in sites without hard frost 4 x 2m	Pb 6.5	\$12.00
	Phebalium squameum <i>Satin Wood</i>	Hardy, erect, pale green olive-like leaves, fast growing shelter 4 x 1m	Pb 6.5	\$12.00
	Philadelphus hybrid 'Virginal' <i>Mock Orange</i>	Strong growing shrub, pure white, fragrant double flowers, full sun or part shade, good drainage preferred 2 x 1.5m	Pb 6.5	\$12.00

Code	Plant name	Description	Bag size	Price
Ⓝ	<i>Pimelea prostrata</i> <i>Native Daphne</i>	Hardy, low growing grey green leaves, small creamy white flowers. Slightly more upright than 'Anatoki Blue'	Pb 6.5	\$12.00
	<i>Pinus pinea</i> <i>Pine nut, Stone Pine, Umbrella Pine</i>	Bears crop in approx. 10 years, tolerates dry, likes good drainage, wind and coastal hardy 3m in 5yrs, 12m	Pot	\$20.00
D	<i>Pistacia chinensis</i>	Small to medium tree of the cashew family, hardy, can withstand harsh conditions and poor soils, striking orange/red autumn colour 6 x 4m	Pb 6.5	\$15.00
Ⓝ	<i>Pittosporum crassifolium</i> <i>Karo</i>	Hardy, suits coastal conditions, young shoots and leaves attractively felted, dark-red fragrant flower clusters spring - early summer followed by interesting seed capsules 4 x 3m	Pb 6.5	\$12.00
Ⓝ	<i>Pittosporum eugenoides</i> <i>Tarata, Lemonwood</i>	Leaves lemon fragrance when bruised, responds to pruning, excellent shelter hedge 5 x 3m	Pb 6.5	\$12.00
Ⓝ	<i>Pittosporum</i> 'Frankies Folly'	An outstanding compact little variety growing to 60cm. Fresh green small foliage and grows into a compact rounded shape. Very hardy and reliable	Pb 6.5	\$12.00
Ⓝ	<i>Pittosporum</i> 'Platinum'	<i>P. eugenoides</i> selection. Neat evergreen compact pyramidal growth habit. The foliage is bright light green, with silvery white margins. Extremely ornamental 3 x 2m	Pb 6.5	\$12.00
Ⓝ	<i>Pittosporum tenuifolium</i> <i>Kohuhu</i>	(Propagated from seed.) Broadly conical, shiny silver green leaves, small black fragrant flowers summer evenings 5 x 3m	Pb6.5	\$12.00
Ⓝ	<i>Pittosporum</i> t. 'Gold Star'	Bushy habit, wavy variegated gold and green foliage	Pb 6.5 Pb 12	\$12.00 \$15.00
Ⓝ	<i>Pittosporum</i> t. 'Jade'	Dense evergreen shrub, smaller growing, good hedge, wind break or mixed planting, hardy 2.5 x 1.5m	Pb 6.5	\$12.00
Ⓝ	<i>Pittosporum</i> t. 'Mountain Green'	Dense, fresh-looking, rich green foliage, bushy growth habit, hardy 2.5m	Pb 6.5	\$12.00
Ⓝ	<i>Pittosporum</i> t. 'Silver Pillar'	Small silver green leaves edged with cream. Naturally forms a pillar shape. Can be trimmed or left to grow. Good screen or with mixed plantings 3 x 1m	Pb 6.5	\$12.00
Ⓝ	<i>Pittosporum</i> t. 'Silver Sheen'	Light green / silver-ish foliage 3 x 1.5m	Pb 6.5	\$12.00
Ⓝ	<i>Pittosporum</i> 'Stephens Island'	Attractive, dense form, dark green oval leaves, coastal conditions, slow growth, great hedged 3 x 3m	Pb 6.5	\$12.00
Ⓝ S-H	<i>Pittosporum</i> t. 'Tasman Ruffles'	Excellent growth, bushy and quick, limey ruffled leaves with black stems	Pb 6.5	\$12.00
Ⓝ S-H	<i>Pittosporum</i> t. <i>variegatum</i>	Cream green variegation, hardy shelter, hedge, tidy upright 3m	Pb 6.5	\$12.00
Ⓝ	<i>Pittosporum</i> t. 'Wai-iti'	Wine-red stems, small jade-green oval foliage, bushy medium grower 2.5 x 1.5m	Pb 6.5	\$12.00
Ⓝ	<i>Pittosporum</i> t. 'Waimea'	Small round jade-green leaf, bushy growth 3 x 2.5m	Pb 6.5	\$12.00

Code	Plant name	Description	Bag size	Price
Ⓝ	Pittosporum t. 'Wrinkle Blue'	Dean's Nursery selection, fast growth rate, green/blue/grey, wavy foliage, hedge, shelter 5 x 3m	Pb 6.5	\$12.00
Ⓝ	Plagianthus regius <i>Manatu, Ribbonwood</i>	Graceful, stately, slender, small but showy yellowish-green flowers spring, semi deciduous, tolerates wind, frost, normal or wet conditions 5m	Pb 6.5	\$12.00
D	Platanus x acerfolia <i>London Plane</i>	A large, fast-growing, round-headed tree with large palmate leaves and an attractive light brown mottled trunk. One of the world's most popular street trees, tolerant of compacted soils, heat and air pollution. Plane trees are the traditional tree for pollarding to create a compact 'lollipop' look. Deciduous, hardy 20m +	6L pot	\$25.00
D	Platanus x acerifolia 'Suttneri' <i>Varigated London Plane</i>	Variegated London Plane Tree has green and white foliage, but the most striking characteristic is its brilliant white bark. Like the well-known street tree Platanus x acerifolius, the bark colour is revealed when the exfoliating bark drops off 20m +	6L pot	\$25.00
	Plumbago auriculata	Bright sky-blue flowers, long flowering season, frost tender 1.5 x 1m	Pb 6.5	\$12.00
Ⓝ	Poa cita <i>Silver Tussock</i>	Densely tufted tussock, graceful habit, tawny green colour, poorer soil not too moist 50 - 70 cm	Pb 5	\$7.00
	Podocarpus gracilior <i>Fern pine</i>	A medium-sized, slow growing tree that will spread out with age. Soft, weeping, bushy foliage with a rich deep green colour and branches which will droop over time. Low maintenance and resistant to pest and disease, can handle mild drought and is salt tolerant	Pb 6.5	\$15.00
Ⓝ	Podocarpus totara 'Aurea' <i>Golden Totara</i>	A sterile Totara form discovered in the Port Hills. Graceful branches, soft and rich golden-yellow leaves, especially when grown in full sun. Golden-foliaged tree with tall, pyramidal form. Dislikes wet conditions. Makes a superb hedge. Evergreen, hardy	Pb 6.5	\$15.00
Ⓝ	Podocarpus totara <i>Totara</i>	Highly valued New Zealand native, good specimen or hedging 15m	Pb 6.5 Pb 12	\$15.00 \$25.00
Ⓝ	Podocarpus totara 'Matapouri Blue'	Attractive blue green foliage, cutting grown	Pb 6.5	\$15.00
Ⓝ	Pomaderris kumeraho <i>Kumarahou</i>	A slender shrub, spectacular sight in spring covered with yellow flowers, likes good drainage, sun or semi shade, will do well on poor dry soils, sensitive to heavy frost, medicinal properties 2 x 1m	Pb 6.5	\$15.00
	Pratia 'Country Park'	Fast growing creeping herb, covered in small pale blue starry flowers for long period in summer, prefers a damp site but does well most places	Pb 5	\$9.00

Code	Plant name	Description	Bag size	Price
Ⓝ	Prumnopitys ferruginea syn. Podocarpus ferrugineus <i>Miro</i>	Forest tree, attractive ornamental, slow growing, prefers good moist soil, semi-shade 5 - 10m in garden	Pb 6.5	\$15.00
Ⓝ	Prumnopitys taxifolia <i>Matai</i>	Timber tree, tangled appearance as juvenile, growth slows as it matures, interesting flaking bark, can tolerate quite dry conditions 10+m	Pb 6.5	\$15.00
S-H	Prunus lusitanicus <i>Portuguese Laurel</i>	Excellent screening or hedging plant, deep-green leaves, white flowers followed by red/black berries, hardy, can grow 10m as a tree	Pb 6.5	\$12.00
D	Prunus <i>Flowering cherries</i>	A selection will be available from July	Bagged B.Root	POA
Ⓝ	Pseudopanax arboreus <i>Five finger</i>	Fleshy leaves, serrated margins, responds well to pruning, versatile plant, winter flowers followed by small purplish berries liked by birds 3 - 6m	Pb 6.5	\$12.00
Ⓝ	Pseudopanax crassifolium <i>Horoeka, Lancewood</i>	Distinct New Zealand native in juvenile form, long narrow leathery leaves drooping downwards from single stem, this stage lasts 10 - 20 years, after which it becomes a round-headed tree 5m	Pb 6.5	\$12.00
Ⓝ	Pseudopanax 'Dreamtime'	Upright bushy habit, palmate leaf dark in winter 3m	Pb 6.5	\$12.00
Ⓝ	Pseudopanax 'Gold Splash'	Bright gold/yellow splashes on green leaves, attractive contrast 3m	Pb 6.5	\$12.00
Ⓝ	Pseudopanax lessonii 'Cyril Watson'	Slow growing, young plants tolerate some frost, handsome wide lobed shiny green leaves, good in container 2 x 2m	Pb 6.5	\$12.00
Ⓝ	Pseudopanax l. discolour	Small compact form, black-brown foliage	Pb 6.5	\$12.00
Ⓝ	Pseudopanax l. 'Sabre'	Upright selection with narrow lance-like leaves, sun or part shade, can be hedged 2m	Pb 6.5	\$12.00
Ⓝ	Pseudopanax 'Rangatira'	A compact low growing NZ native with deep bronze leaves, grows in full sun or part shade. Looks great planted with heuchera 1.5m x 1m	Pb 6.5	\$12.00
Ⓝ	Pseudopanax ferox <i>Savage Lancewood</i>	Long narrow drooping brown leaves, toothed margins, distinct New Zealand look, tolerates dry conditions, prone to root rot if soil too wet, mature tree bushy and short branched 5m	Pb 6.5	\$12.00
Ⓝ	Pseudopanax laetus <i>Large leafed Five Finger</i>	Bushy, large dark green oval leathery leaves serrated near tips, spring berries loved by birds 3m	Pb 6.5	\$12.00
Ⓝ	Pseudowintera colorata <i>Horopito, Pepper tree</i>	Hardy, sun or shade, unhappy with very wet or very dry conditions, frost tolerant, peppery leaves, attractive multi-coloured olive green and red foliage, leaves used in cooking 2 - 3m	Pb 6.5	\$12.00
D	Quercus cerris <i>Turkey Oak</i>	Hardy, vigorous once established, tolerates dry and exposure, good timber 35m	Pb 6.5	\$15.00
D	Quercus coccinea <i>Scarlet Oak</i>	Large broadly spreading, deeply lobed leaves deep red in autumn, cold hardy, good timber 24m	Pb 6.5	\$15.00

Code	Plant name	Description	Bag size	Price
D	Quercus palustris <i>Pin Oak</i>	Handsome specimen tree, reddish brown autumn colour, prefers moist, rich, well-drained, acid soils, but does well in Moutere clay 8 x 6m	Pb 6.5	\$15.00
D	Quercus robur fastigiata <i>Upright English Oak</i>	Tall columnar form, hardy, good avenue tree 25m	Pb 6.5	\$15.00
F	Raspberry 'Clutha'	Nearly thornless, commercial producer	Pb 6.5	\$18.00
F	Raspberry 'Heritage'	Good for home garden, self-fertile but benefit from planting in groups, medium sized fruits, good colour and flavour, high yielding, late cropper well into autumn	Pb 6.5	\$18.00
	Rhododendrons	Good selection available in May, separate list available	6L pot	\$36.00
Ⓝ	Rhopalostylis sapida <i>Nikau palm</i>	A New Zealand icon and the world's most southerly growing palm. Though slow growing, Nikau make fantastic specimen palms in a protected position Prefer a shady sheltered site to prevent damage to the fronds. Can be planted in full sun, but the fronds will tend to be more upright and light green in colour. Windy sites will cause the tips of fronds to burn off – ideally plant in a sheltered site to maintain lush, dark green fronds	Pb 6.5	\$20.00
F	Ribes Black Currant 'Laxton'	Heavy cropper good disease resistance	Pb 6.5	\$18.00
F	Ribes Red Currant 'Gloria de Versailles'	Vigorous, upright grower. Excellent crops in mid season (late December - February) of large red berries on good size trusses. Great for small gardens. Deciduous. Hardy	Pot	\$22.00
Cl	Rosa Banksia Lutea	Climber. This special little rose is spectacular in early spring around about the end of September. Masses of tiny double pale butter yellow blooms smother the arching stems and emit a gentle fragrance. The profuse foliage is thornless and evergreen. Recognised in 1825	Pb 6.5	\$15.00
Cl	Rosa 'Mutabilis'	A delightful rose, buds deep apricot open soft apricot pink then turn cerise almost all year 3 x 3m	Pb 6.5	\$12.00
	Roses Grafted	A selection of grafted roses available in winter	25L	\$35.00
	Rosmarinus Lavendulences <i>Creeping Rosemary</i>	Hardy, ground cover or wall spiller, soft blue/mauve flowers	Pb 6.5	\$12.00
	Rosmarinus officinalis <i>Common Rosemary</i>	Hardy upright, blue flowers early summer, clip for neat shrub or low hedge, great cooking herb 1.30 x 1m	Pb 6.5	\$12.00
D	Salix alba 'vit' Hybrid willow	Vigorous, male straight stemmed, erosion control, coppiced, fodder for deer or cattle	Pb 6.5	\$15.00
D	Salix matsudana 'Tortuosa' <i>Twisted willow</i>	Broadly spreading, shoots twisted	Pb 6.5	\$15.00

Code	Plant name	Description	Bag size	Price
D	Salix purpurea <i>Basket willow</i>	Spreading, used for basket weaving, coppice annually to produce basket material	Pb 6.5	\$15.00
D	Salix x sepulcralis 'Chrysocoma' PN 240 <i>Golden weeping willow</i>	Broadly spreading, long, very large weeping tree, pendulous, yellowish branches, likes moisture	Pb 6.5	\$15.00
	Salvia confertiflora	Large leaved, long spikes of rusty red flowers over long season	Pb 6.5	\$12.00
	Salvia greggii 'Dark Dancer'	The clear, light raspberry flowers of this largish Autumn Sage bloom from spring into summer. It makes a colourful, tall groundcover and looks lovely on slopes	Pb 6.5	\$12.00
	Salvia leucantha <i>Mexican Bush sage</i>	Woolly violet flowers contrasted with wrinkled grey white leaves. Received Royal Horticultural Award of Garden Merit 1993	Pb 6.5	\$12.00
F	Sambucus <i>Elderberry</i>	Large clusters of small white flowers used for making cordial or champagne late spring, berries for jelly or wine 3 – 8m	Pb 6.5	\$10.00
Ⓝ	Scleranthus biflorus	Low light cushion of tiny lime-green leaves, tiny greenish white flowers late summer, best in sun, likes good drainage	Pb 5	\$9.00
	Sequoia sempervirens <i>Californian redwood</i>	Large evergreen tree, stately pyramidal form, straight shapely trunk, free draining, deeply worked soil, full sun or semi shade, water in dry periods	6L pot	\$25.00
	Sequoia sempervirens Korbel <i>Californian redwood- Christmas tree clone</i>	Narrow conical form, short frequent branches, re-grows vigorously from stump 20+m	Pb 6.5	\$15.00
Ⓝ	Sophora microphylla 'Dragons Gold' Kowhai	Bushy, heavy display of yellow flowers early in winter to early summer 2 x 2m	Pb 6.5	\$12.00
Ⓝ	Sophora microphylla <i>South Island Kowhai</i>	Small leaflets, yellow flowers spring, loved by bellbirds and tuis 5 x 3m	Pb 6.5	\$12.00
Ⓝ	Sophora prostrata	Bushy shrub, interlacing branches, small leaves, flowers are small almost orange, very tough, hardy, can be clipped as hedge 2 x 1m	Pb 6.5	\$12.00
Ⓝ	Sophora tetraptera <i>North Island Kowhai</i>	No divaricating juvenile stage, large yellow flowers loved by birds 5 - 12m	Pb 6.5	\$12.00
D	Sorbus aucuparia <i>Rowan Mountain Ash</i>	Broadly conical, pinnate leaves, clusters of white flowers followed by red-orange berries, mulch and keep moist in dry periods 5 - 12m	Pb 6.5 6L pot	\$15.00 \$25.00
D	Spirea cantoniensis	Full sun or partial shade, prune after flowering, cold hardy, pure white multi-petalled flowers profuse early summer 1.5 x 1.5m	Pb 12	\$15.00
D	Styrax japonicus <i>Japanese Snowbell Tree</i>	A beautiful spreading tree with profuse, small fragrant bell flowers hanging beneath its branches mid spring, yellow autumn colour, enjoys good drainage, a damp site 5 - 8m	Pb 6.5	\$15.00

Code	Plant name	Description	Bag size	Price
D	Table grapes	Assorted selection. Separate list available	Pb 6.5	\$18.00
F	Tamarillo 'Robinson's Red'	Fast growing, full sun, good drainage, avoid frost, prune hard in spring, fertilise annually, mulch and keep moist in warm weather, fruit packed with vitamins, fruits in autumn-winter in 2 to 3 years 3m	Pb 12	\$25.00
D	Taxodium distichum <i>Swamp cypress</i>	Narrowly columnar, soft green foliage turns brown in late autumn, swamp tolerant but thrives on well drained soils 25m	Pb 12	\$25.00
Ⓝ CI	Tecomanthe speciosa	Vigorous native climber, glossy deep green leaves, large cream tubular flowers borne in bunches during winter months, loved by tuis, frost tender in colder areas, grow up a tree under shelter	Pb 6.5	\$15.00
	Telopaea oreades <i>Victorian waratah</i>	Broad evergreen, red flowers, needs well drained site, won't tolerate damp clays 3 – 4m	Pb 6.5	\$15.00
	Teucrium fruticans	Loose form shrub or clipped attractive hedging, contrast or screen, silvery-white foliage, lavender-blue flowers 1.5 x 1.5m	Pb 6.5	\$12.00
	Thuja occidentalis fastigiata	Columnar, bronzy in winter, hedge or specimen, cold hardy tolerant of most soils 3 – 5m	Pb 6.5	\$15.00
	Thuja o. 'Smaragd'	A tight, conical, bright emerald-green shrub or small tree, works well as a hedge or to create a defined look in a formal garden. Great for narrow garden beds. More tolerant of moisture than other conifers, does best in deep, moist, well drained soil. Evergreen, hardy	Pb 6.5	\$15.00
S - H	Thuja plicata <i>Western red cedar</i>	Excellent shelter, fast growing	6L pot	\$18.00
	Tibouchina urvilleana 'Edwardsii'	Royal purple flowers summer- autumn, sporadically through year, loves sun, heat, shelter from winds and frost, cut back after flowering to keep compact 2.5 x 1.5m	Pb 6.5	\$12.00
CI	Trachelospermum jasminoides <i>Star Jasmine</i>	Strong growing evergreen climber with intensely fragrant, pure white starry flowers, late spring through summer, can also be a groundcover	Pb 6.5	\$12.00
	Veronica 'Georgie Blue'	Versatile ground cover, green foliage darkening in winter, masses small blue flowers spring summer	Pb 6.5	\$12.00
	Viburnum burkwoodii	Evergreen, fragrant white flushed pink in early spring, dark green foliage 1.5m	Pb 6.5	\$12.00
	Viburnum opulus 'Sterile' 'Snowball tree'	Open, graceful robust plant, purple autumn foliage followed by abundant white, green tinted 'snowball' clustered spring blooms 3 x 2m	Pb 6.5	\$12.00
	Viburnum plicatum 'Summer Snowflake'	Delightful 'lace-cap' blooms repeated in summer and autumn followed by red berries, best in moist soil, some sun 1.5m to 1.8m	Pb 6.5	\$12.00

Code	Plant name	Description	Bag size	Price
	Viburnum plicatum Mariesii	Beautiful shrub, abundant flowering in spring 2.5 x 2.5m	Pb 6.5	\$12.00
	Viburnum t. 'Emerald Beauty'	Densely-foliaged shrub with showy white flowers in spring and autumn. Excellent hedging and under-planting. Dry and shade tolerant. Great low shelter. Redder stems & darker leaves than V. tinus 'Lucidum'. Evergreen, hardy 2 x 2 m	Pb 6.5	\$12.00
	Viburnum tinus Laurustinus	Dense, rounded form, dark green glossy leaves, small white flower clusters late autumn through early spring, blue berries summer, good hedging, screen 2 x 1.5m	Pb 6.5	\$12.00
Ⓝ	Vitex lucens <i>Puriri</i>	Large forest tree, shrubby when young, slowly forming wide canopy, pinkish flowers loved by tuis, clustered pink/red fruit enjoyed by wood-pigeons, grows best in good soil, frost tender when young 20m	Pb 6.5	\$15.00
D	Weigela florida variegata	Attractive deciduous shrub with lime green variegation in new growth turning to cream then orange in autumn, pale pink trumpet flowers 1 x 1m	Pb 12	\$15.00
D	Weigela 'Newport Red'	Old fashioned deciduous shrub, large crimson red trumpet shaped flowers	Pb 6.5 Pb 12	\$12.00 \$15.00
	Westringa brevifolia <i>Australian rosemary</i>	Hardy, bushy shrub, mauve flowers through spring, salt spray tolerant, well worked free draining soil 1 x 1m	Pb 6.5	\$12.00
C/D	Wisteria floribunda 'Black Dragon'	A most vigorous and beautiful climber. This plant flowers in late spring as the pale bronze-green leaves emerge. Leaves turn a dark green. The flower racemes are 40 cm long, densely packed with darkest double violet and purple flowers. Flowers have a sweet scent. Very hardy. Prune after flowering and in the winter if necessary	Pb 6.5	\$15.00
